An Employer Solution for Trade Leadership Development

Developed by employers, for employers
A practical master’s program to equip your next generation of global trade leaders with exceptional strategic and 21st century management skills

RMIT UNIVERSITY
Master of Global Trade
in partnership with the hinrich foundation

Royal Melbourne Institute of Technology • Ho Chi Minh City, Vietnam

Aspire      Learn      Grow      Lead

hinrich foundation
advancing sustainable global trade
Trade leadership program: Developed by employers, for employers

To help your business grow, we are creating this talent development program like no other:

- For your rising stars with high leadership potential
- 12 courses over 15 months allowing for full-time work
- 3 progressive stages of global trade education conferred by RMIT University Australia
- Study in Ho Chi Minh City for easy access to Asian trade hubs

Powerful 4-way partnership to meet your talent needs

We develop lasting partnerships to bridge the gap between academia and industry.

By uniting stakeholders – universities, employers and talent – we create practical programs to develop next-generation Global Trade Leaders.

15 years’ experience: Together with Employer Partners, we have helped develop, retain and attract 150 people who work in trade leadership roles.

Co-branded scholarships: To help your future leaders achieve their full potential, we offer each Employer Partner 2 co-branded scholarships of US$16,000 for the Graduate Certificate and Graduate Diploma tuition.

To complete the Master of Global Trade, students need to fund the final $8,000 tuition.
Firms involved in global trade looking to take their high-performers to the next level are invited to join. We welcome you to:

Your active participation will help to ensure that your graduates have the skills and mindset to grow your global business today and into the future.

RMIT’s effective approach to trade leadership education

Employers across the trade value chain are invited to participate

Firms involved in global trade looking to take their high-performers to the next level are invited to join. We welcome you to:

Contribute to curriculum development

Provide real-world problems for students to solve

Provide senior managers to give guest lectures

Retain graduates by offering progressive career opportunities

Your active participation will help to ensure that your graduates have the skills and mindset to grow your global business today and into the future.

Qualified candidates: Your high-potential current & future staff

To ensure the most value for your firm, Employer Partners will:

- Nominate their top performers
- Attract prospective employees with scholarships & employment
- Engage them in your firm with careers offering progressive responsibility

Your nominees will also need:

- 3+ years’ work experience
- An undergraduate degree & English proficiency
- To be accepted by RMIT
- To meet HF’s scholarship requirements

RMIT provides practical, industry-focused education. It is a leading university in the emerging hub of Asian trade, offering a proven approach for technical and soft skills development.

The Hinrich Foundation is a philanthropic organization whose mission is promoting sustainable global trade. We produce forward-looking policy research, as well as programs that educate and engage stakeholders on global trade issues and develop talent to advance trade activity.

Talent development for sustainable global trade

We are committed to working hand-in-hand with academia, industry and high-potential talent for the success of businesses engaged in global trade.

Master of Global Trade

1. The only global trade program developed by employers, for employers
2. Customized calendar allowing for full-time work
3. A practical, engaging program to help develop your future leaders
4. Scholarships to support your business
