

SME Sustainable Trade Awards

Honoring Singapore's innovative SMEs advancing sustainable trade

AWARDS HIGHLIGHTS

Prizes

Cash & prizes totalling SGD 20,000, recognition for commitment and initiatives in trade sustainability

Eligibility

SMEs in select sectors, registered in Singapore:
Annual turnover of up to 100 million OR 200 employees

Awards Gala

5 September 2023

The SME Sustainable Trade Awards will provide a highly visible, recognized annual platform for SMEs to highlight their contributions to advancing sustainable approaches to international trade.

By recognizing SMEs who are taking the lead in global trade sustainability, the Awards aim to:

Acknowledge Singapore SMEs who are beacons of sustainable trade – which includes social, economic & environmental factors

Amplify best practice sustainability achievements of SMEs who lead change in their sectors to advance sustainable trade

Support sustainable trade that creates long-term value and company growth

Award categories for Singapore SMEs

Awards are open to Singapore SMEs working in areas **across global trade value chains** making advances in trade in a sustainable way.

Key dates

Open	NOW
Register	https://bit.ly/SMESTALaunch
Deadline	28 April
